I want to take the time to let you know what an excellent job you did.. as well as all the teachers hard work and tremendous efforts ..

The new system that you lobbied as a activity room inspired children s for the study.

I know that you put in a tremendous number of hours to teach and make them learn..

Mother of Abhiraj Arora Class Nursery C

I am Swati Dwivedi, mother of Vaanika Dwivedi who studies in Nursery-B of your School. Today I visited your school under the parent teacher interface session.

While taking the session with the students of the Nursery class, I realized how well our children are being groomed in your school. The students were disciplined, active, and obedient, this made the session all the more delightful, I must say the effort put in by the teachers has been tremendous and it showed up during my interaction with the students in class. Today I realized when standing at a teachers place, how tough it is. They are preparing our kids with so much perseverance and dedication for the better future.

This program and experience is very much treasured and appreciated by me a lot. Today I got to see how well my daughter is doing in the class and she really surprised me, all thanks to the teacher and her grooming. I was so pleased to see the way kids interacted with me and would appreciate the fact that this program of parent teacher interface is one of a kind. I would request you to continue this program more aggressively and I would love to contribute more often.

My special gratitude to Ms Aashima Kumar, Ms Jaswinder Kaur and principal Mam.

Thanks and regards,

Swati Dwivedi

I am quite happy with the school's continuous focus on child development and growth. Nursery is a class where child foundation is created and teachers are highly focussed in the school.

Special Thanks to Ashu Mam (Nur A) for developing and nurturing Nursery Kids so well.

Appreciate all the efforts of the school staff.

We have seen the performance of Aarika in the special assembly held on Guru Purab last week along with the performances of other kids. We have also come to know that this time it was the turn of performance of Nursery - B section students. All the performances be it 'Prabhat Pheri', 'Punj Pyare', 'Story about Guru' or 'Mool Mantra' were remarkable. All in all it was a day to be remembered for us as parents. Especially your bond with the kids in terms of discipline, hard work, love & affection and overall understanding is something that we find really wonderful- not only in this particular activity but in all the activities. To be frank, at the beginning of session we were a little apprehensive about the atmosphere that our kid would get into but now we can definitely relieve ourselves. We can't find appropriate words to thank you enough. However, thanks a lot ma'am for being there. Aap thode me hi jada samajhna :-)

Thanking you,

regards
